Re: Grant No. 05CH8460

Dear Ms. Hawley:

This letter is in response to the August 21, 2020 request for a 14-day extension for submission of the Head Start and Early Head Start continuation application due September 1, 2020. According to the request, an extension will allow the City of Chicago adequate time to prepare a more comprehensive continuation application for the 12/01/2020 – 06/30/2021.

The Regional Office approves the request for an extension of the Head Start and Early Head Start non-competitive application. The new date is September 15, 2020. If you have any questions, please contact Katherine Gray, Senior Head Start Program Specialist, at (312) 353-5706 or kathie.gray@acf.hhs.gov or Leniseal Wadley, Grants Management Specialist, at (312) 980-3402 or leniseal.wadley@acf.hhs.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Guadalupe Quiroz".
